J. A. Wheelock to J. J. Hill.

"A few days or weeks ago...I received a letter from our old friend Major Walter, saying that he was going to America with some valuable pictures. He is going to St. Paul and as he is going to see you there he wished me to write you about his pictures..."

"I have mislaid his letter but among the pictures he takes with him are, I think he said, two of Sharples pictures, one of Mr. Madison, the other of Hamilton which Sharples left unfinished, but which he says has

had completed by the best artists
so as to preserve its original portraits..."

He is going to offer you them because he
thinks you ought to have them to complete
your set."
