## CALL TO THE THIRTY-FOURTH ANNUAL CONVENTION OF THE MINNESOTA WOMAN SUFFRAGE ASSOCIATION

To the women of Minnesota:

The Annual Convention of the Minnesota Woman Suffrage Association will be held in the St. Paul Hotel, St. Paul, October 7, 8 and 9, 1915.

All women interested in the cause of human freedom are invited to the meetings of this Convention.

The very rapid growth of sentiment throughout the world, for our great cause, makes this meeting of extraordinary interest to us.

In nearly one-half of the territory of the United States women are politically free.

Eleven of the United States and one territory have granted full suffrage to women.

One state has given presidential and municipal suffrage.

In twenty states women have partial suffrage.

Four great Eastern states are to vote upon the question this fall.

In Congress one-fourth of the Senate, one-sixth of the House and one fifth of the electoral vote comes from suffrage states.

Minnesota women are rapidly organizing the state by legislative districts and voting precincts, and in most of the congressional districts of Minnesota, committees have been formed to influence federal legislators.

Success for the cause in the United States is in sight.

Come to the Convention and help us to make it a memorable one.

CLARA UELAND,  
SOPHIE KENYON,

Delegates must come to the convention with credentials, properly signed by the president and secretary of the club.

Each club is urged to send its full quota of delegates. The association needs the co-operation and advice of all its members.

It is hoped that each club will instruct its delegates to make a liberal pledge for this year's work.

NOTE.—According to the present constitution, which was based on an association of clubs, the legislative districts are not legally entitled to delegates, but one of the chief purposes of the convention is to change the constitution so that the legislative work may legally as well as in reality become a part of the work of the association. One of the most interesting as well as significant features of the convention will be the reports of those newly-organized legislative districts.

#### REPORTS.

The secretary or president of each club, and legislative district should report all activities of her club or district for the past year. If it is not possible for a representative of the club or district to be present, this report should be mailed to the corresponding secretary before Oct. 7th.

#### REVISION OF CONSTITUTION.

Notice is hereby given that at this convention a revision of the Constitution to fit the present plan of organization will be presented by a committee of which Mrs. Albert R. Hall, of St. Paul, is chairman.

Resolutions Passed At The 34 Annual Convention of the Minnesota  
Woman Suffrage Association, Oct. 1915.

*Handwritten: Copy*

WHEREAS, the governments of two Canadian Provinces, Alberta and Manitoba, are taking steps to enfranchise their women, and,

WHEREAS, Queen Wilhelmina has announced that the government of Holland will introduce a bill removing the political disability of the women of that country, therefore,

BE IT RESOLVED, that we of the Minnesota Woman Suffrage Association in convention assembled give expression to our rejoicing with the women of these countries, and further, to our great rejoicing that President Wilson has announced his belief that the time has come to extend the privilege and responsibility of suffrage to women.

WHEREAS, the world is aroused to a sense of calamity due to the ravages of war in Europe, therefore,

BE IT RESOLVED, that we take our stand on the side of organized constructive effort for permanent world peace.

WHEREAS, the abolition of the saloon is now an active issue in the state of Minnesota, therefore

BE IT RESOLVED that we are unalterably opposed to the saloon as a menace to the home and strongly commend all effort to rid the community of this intolerable burden.

WHEREAS, Suffrage amendments are pending in the states of New Jersey, New York, Massachusetts, and Pennsylvania, therefore,

BE IT RESOLVED that we send messages of greeting to the women of these states expressing our earnest hope that they may be enfranchised at the coming election.

WHEREAS, the Minnesota Federation of Labor assembled in Convention at Winona, in July, 1915, rescinded many former declarations in favor of Woman Suffrage, therefore

BE IT RESOLVED that we deplore this repudiation of the principle of democracy by the organized labor of our state.

WHEREAS, publicity is one of the greatest assets of the Equal Suffrage movement, therefore

BE IT RESOLVED that we express our appreciation to the press of St. Paul and Minneapolis for the generous space accorded us throughout the convention and during the past year.

FINALLY

WE RESOLVE that this Association express its grateful appreciation to our hostesses, the Political Equality Club and the Woman's Welfare League of St. Paul, and to all others who have by service and by gift contributed to the success of this convention.

Nov. 23, 1916.

It will give us great pleasure to have you serve as hostess at our Convention luncheon held at Hotel Radisson Tuesday, Dec. 5th, at one o'clock. It will add greatly to the interest of the occasion, we think, to have as hostesses some of our prominent women who are suffragists. Mrs. Nellie McClung of Alberta will be our guest of honor.

Some suggestions that have been made as to methods of helping the attendance and interests are:

1. The hostess may persuade members of her club or a group of friends or neighbors to form a party.
2. She may invite a number of friends to go as her guests.
3. She may act as one of the hostesses at the table of out-of-town delegates.

None of these things are to be considered as obligations.

May we ask for a prompt reply and if you wish to arrange for a party, please notify Miss Aimee Fisher at Suffrage Headquarters and places will be reserved. If you are willing we should like to use information about such parties as are planned for in our Press work. Tickets for the luncheon are \$1.00.

## CALL TO THE THIRTY-FIFTH ANNUAL CONVENTION OF THE MINNESOTA WOMAN SUFFRAGE ASSOCIATION

The Annual Convention of the Minnesota Woman Suffrage Association will be held in the City of Minneapolis at the Radisson Hotel, December 4 and 5, 1916.

The purpose of this Convention is to establish among the women of Minnesota a common understanding of their needs; to foster in them a singleness of purpose which will bring results; to further that unity of action which will conserve energy; to hold before them a lofty ideal which will command universal respect and to strengthen in them a spirit of co-operation which must result in victory.

The year 1916 marks the entrance of Woman Suffrage into the political history of the United States.

All the National Political Parties have incorporated in their platforms a Woman Suffrage Plank.

The Presidential Candidate of a great party has declared favorably for a Federal Woman Suffrage Amendment.

Women voted for President for the first time in Illinois, Nevada, Montana, Kansas, Oregon and Arizona.

The map of North America is fast growing "White."

Within the last nine months equal suffrage has been extended to the women of four great Canadian Provinces, Manitoba, Alberta, Saskatchewan and British Columbia, which comprise a total area of over a million square miles, with a population of nearly two million.

All who are interested in the further advancement of this great cause and in the progress of civic righteousness are urged to attend the meetings of this Convention.

Officers of the Minnesota Woman Suffrage Association.

1899

It is customary for the President of the Association to appoint at one of the summer meetings of the Executive Board, a Program Committee for the State Convention. This committee may consist of three, five or more members, one of whom is named as chairman. For convenience, most of the women on this committee are from the Twin Cities, usually ALL, but not necessarily.

At the first meeting there should be roughly outlined, plans for the two full day sessions, two morning sessions which are devoted chiefly to reports and business, two afternoon sessions which should have something of interest for the general public as well as reports, and two evenings to fill. These evening sessions have sometimes BOTH been open meetings with a program of addresses, music etc. Sometimes a banquet has been given on one evening, sometimes a reception. The Program Committee has full charge of all arrangements for the entire time.

The President should formally notify the presidents of the local clubs to appoint a joint Committee of Arrangements to decide on the auditorium for all meetings, to make plans to entertain out of town delegates, to decorate the auditorium chosen, choose luncheon places for each day etc.

*Chairman  
Bureau  
Heldman*

It is important that this local Committee of Arrangements, immediately appoint an Entertainment Committee Chairman, for in all our advertising of the Convention we need to mention her name and address, and urge delegates to correspond with this chairman. This Executive Chairman secures places in advance in houses of suffragists for all out of Twin City delegates, most of whom will either write at the eleventh hour that they desire entertainment, or not write at all but APPEAR at the convention and expect a place of entertainment.

Ushers and Pages should be provided by the local Committee of Arrangements. One member of the Program Committee should act as Press Committee for advertising the convention, and assisting the reporters of Twin City papers at the convention.

You will see by the enclosed programs which may be suggestive, that there is always at the first session the item, "Appointment of Committees". This is for the President to do and should be thought out beforehand and women asked to serve. Here is an opportunity to recognize out of Twin City people.

1877

The committees referred to are

- Credentials 3 members
- Resolutions 3 members
- Finance 5 members
- Hospitality 3 members or more

With the exception of the last named committee, a chairman should be named first, and act as speaker for the other members

The Finance Committee usually consists of young women delegates, or daughters of local suffragists, who take up the collection at evening meetings. Or this committee may be omitted and ushers asked to do this work.

The Committee of Local Arrangements should be in touch with, and report to the Program Committee.

It is well to have the hour set on the program for "Election of Officers and Directors" as business often crowds that along and it always takes longer than is planned to elect officers.

It is always important to begin the SECOND morning session at nine o'clock sharp, as there is much business, the opening hour on first day may be nine thirty or ten o'clock.

All officers, chairman of committees, speakers, musicians must be notified by the Program Committee as long as possible beforehand, of the hour at which they shall appear.

It is well to have the programs one week before the convention and mail one to each person having anything to do at the convention. This is very IMPORTANT, and a week is none too long a time for this.

Of late years we have held our conventions alternately in St. Paul and Minneapolis, so the St. Paul Suffragists have known all this year that the 1915 meeting would be in this city. We formerly went to outside towns but had such small delegate bodies to carry on the work of the convention and so much smaller evening audiences than in the larger cities, that we decided to remain in the Twin Cities and reach more people.

The women from the smaller towns have to be URGED PERSISTENTLY to attend the conventions, and letters should soon go out to all clubs and stray suffragists, stating the date of the convention and beseeching them to make their plans to go to St. Paul.

The Executive Board decides the date usually, but it is sometimes left to the Program Committee to suit the convenience of national speakers.

The old custom was to open each session with prayer by a local minister, but of late we have dispensed with that. Better discuss it in committee however.

It is important to have the names of the officers, directors and chairman of Standing Committees some where on the program, as the list is needed at election time.

The treasurer should call upon the Auditor just before the convention, to audit her books and accounts, setting a day for them. The Treasurer should also provide and send to each club president, the credential blanks, informing her of the number of delegates to which her club is entitled.

I make all these suggestions as so much depends upon the preliminary work of a convention and of course I have learned much by experience some of it a bit trying

Resolutions offered at the 35th Annual Convention of the Minnesota Woman Suffrage Association, December 1916

*Handwritten initials and scribbles on the left side of the page.*

Whereas, Before the recent National election all political parties endorsed the principle of woman suffrage, and

Whereas, since our last annual convention, four Canadian provinces, Alberta, Manitoba, British Columbia and Saskatchewan have given full suffrage to their women,

Resolved, that we of the Minnesota Woman Suffrage Association in convention assembled give expression to our rejoicing at these and at many other indications of the progress of woman suffrage in our own part of the world.

Whereas, it is generally recognized by suffragists and others that the opportunity is ripe to carry our movement on to complete victory in the near future, and that the passage of a <sup>^</sup> ~~amendment~~ Federal has become an undoubted possibility, but

~~Whereas, it has been amply demonstrated that national suffrage can never be won without the specific help of the individual states than state suffrage~~

Whereas, it has been amply demonstrated that suffrage through Federal action can no more be won without the specific help of the individual states than suffrage through state action can be won without activity in the counties,

Be it Resolved, by this Association that we affirm our belief in the necessity for immediate, unremitting, organized work and publicity in our states and in all its counties.

Finally

We Resolve that the Association express its gratitude

to the Press of the state for the generous space it has accorded us at this time and throughout the year, and to our own chairman of the Press and Publicity Committee for the splendid results she has accomplished in obtaining publicity for suffrage through the state, and to the Radisson Hotel management for its unflinching courtesy and great generosity.

Dec. 4, 1916.

ADDRESS OF MRS. ANDREAS UELAND BEFORE ANNUAL CONVENTION  
OF THE MINNESOTA WOMAN SUFFRAGE ASSN.  
Dec. 4, 1916.

The most significant development of the suffrage movement in the United States the past year is the persistent, determined and almost universal demand for the passage of the Federal Amendment. The women of the nation have made up their minds that to be obliged to ask for their political freedom from every man of every race and color and with every degree of intelligence is a burden and likewise a humiliation that they should not be asked to bear. Minnesota women are especially in earnest in working for this measure because our state has a tight-locked constitution, which permits no amendment which has any opposition to pass, and which provides that all voters who do not vote on the amendment are counted as against it. The question of women suffrage has become a national one. It is in practical operation in twelve states. An immense amount of favorable public sentiment has been created as shown in the resolutions adopted by hundreds of national organizations for other objects, representing millions of men and women members, while not one has gone on record in opposition. Its own membership has increased by hundreds of thousands, and most significant of all every political party has put in its platform a plank for woman suffrage and every presidential candidate has expressed himself in favor of it.

Minnesota suffragists join with the National Association in demanding that congress shall recognize this situation but submitting without delay an amendment to the federal constitution which shall secure nation-wide woman suffrage. We call attention to the increased public opinion in favor of national legislation. We hold that the doctrine of states rights would not be violated by the submission of a national amendment for woman suffrage since it would have to be ratified by three-fourths of the state legislatures which are elected by popular vote. The four Canadian provinces, Manitoba, Saskatchewan, Alberta and British Columbia, have given

their women the right to vote. We refuse to believe that democratic America will fail to give its women what the Canadian women enjoy under a monarchy. We will ask from the Legislature just elected to pass a presidential bill. The legislature of every state may confer upon women the right to vote for presidential electors regardless of the restrictions of the state constitution. The federal constitution bestows this right in the article which declares that each state shall appoint in such manner as the legislature thereof may direct, its number of electors, etc. We believe that at present this is the greatest service the Minnesota Legislature can do to advance the cause of the freedom of women. To pass this measure will not only give to Minnesota women greater power and influence but will give great impetus and strength to the national movement.

Our National Association, directed by its splendid leader, Mrs. Catt, has outlined a great plan of work which includes organization, press work, circularization and monthly demonstrations, all of which are to be concentrated upon and to lead up to the final passage and ratification of the Federal Amendment. One million dollars is to be raised and spent in the United States this year for suffrage. Minnesota women must do their share. \$30,000 is to be raised in this state and that amount is to be apportioned to the different congressional districts, divided among the counties and sub-divided so that every town and precinct may do its share, so divided that no one community need be overburdened. Every suffragist of Minnesota will be asked to work <sup>and</sup> to contribute towards this great united effort by which we may reach the goal of enfranchising all the women of the United States, within a few years. We agree with the public sentiment that recently declared the ballot was of such great value and importance as to demand that a special session of the legislature should be called to pass an act enabling the soldiers on the Mexican Border to vote at the recent election. We declare that a government which guards so carefully the rights and privileges of the citizens on the border should be equally solicitous to do justice to its women. Women of Minnesota must make haste

and join in a united effort to throw off from all women<sup>of</sup> the country  
for all time, the indignity and the injustice which places them, in  
regard to the franchise, with the group who are morally unfit or  
mentally defective or undeveloped.

### CONVENTION SUGGESTIONS.

Secure place of meeting at least three weeks in advance, requiring a written statement as to time place and price . Include a room for President Permission in writing for Siffrage banners in corridors etc. Have two rooms for voting . Use perforated ballot, as it facilitates counting. St. Paul paid fifty dollars for use of hotel St. Paul, including a room for Mrs. Ueland. The contract was for three days and fifty <sup>dollar</sup> covered the time. Would suggest getting price for luncheon or banquet at the same time St. Paul paid fifty cents for a very light breakfast and one dollar for the luncheon . Head waiter collected for breakfast and tickets were sold by card catalogue for luncheon.

Get diagram of dining room , and ask for high standards on tables with numbers plainly to be seen. Even numbers on one side , odd on the other. Ushers to be familiar by a little study beforehand of location of their tables Found it a help to have some one standing beside ticket taker to call loudly number of ticket as taker takes it.

menu for one dollar luncheon at St. Paul Hotel

Honey dew melon, creamed chicken patties, sweet potatoes, lettuce with thousand dressing, <sup>Island</sup> rolls, ice cream, cake, coffee.

A Conference of the Minnesota Woman Suffrage Association, a branch of the National American Woman Suffrage Association, of which Mrs. Carrie Chapman Catt is president, wishes to give further publicity to the fact that the picketing in Washington is the work of another and different organization and that this demonstration has not at any time been endorsed or approved by the state or national suffrage association.

The Woman Suffrage Association nationally and by states is pledged to a policy of aid and co-operation in this time of the nation's stress, and regrets that a body of suffragists should employ a policy tending to embarrass and discredit our government in the present difficult situation.

We believe that the enfranchisement of women should be brought about by orderly and constructive methods, and we are united in the endeavor to bring about, by such methods, the early political liberation of the women of America.

CALL TO THE 36th ANNUAL CONVENTION

of the

MINNESOTA WOMAN SUFFRAGE ASSN.

THE ANNUAL CONVENTION of the Minnesota Woman Suffrage Association will be held in the CITY OF ST. PAUL - - - - - AT THE ST. PAUL HOTEL FRIDAY AND SATURDAY - - - - - NOVEMBER 16th and 17th.

All men and women who believe in "the right of those who submit to authority having a voice in their government" and who wish to further the cause of democracy are invited to attend this meeting.

SINCE OUR LAST MEETING America has been drawn into the world war. Women are facing new duties, and are called upon to make the greatest sacrifices. More than ever they need the political power to safeguard their interests.

DEMOCRACY FOR WOMEN has made great gains the past year. In nineteen states of the United States women now have the right to vote for president. More than eight and one half million women of voting age live in these states. Five of the Canadian provinces have now enfranchised their women. Russia, England and France have joined the progressive group who recognize that women are entitled to all the privileges of citizenship.

Suffragists by their organizations and as individuals are earnestly aiding and co-operating with the government in Red Cross Work, Food Conservation, the Liberty Loan and other war activities. Along with this they must give thought to plans bringing about the complete and final liberation of women by urging the passage of the Federal Amendment, in order that they may give effective aid in bringing about a "DURABLE PEACE."

COME, and aid us in our Councils, that we may have wisdom and strength for the coming year.

NATIONAL AMERICAN WOMAN SUFFRAGE ASSOCIATION

Mrs. Carrie Chapman Catt, President

1626 Rhode Island Avenue, N. W.,

Washington, D. C.,

November 30, 1917.

My dear President:-

I enclose herewith copy of general program for Executive Council to be held on Monday, December 10th and the Congressional Conference on Tuesday, December 11th.

As the Executive Council presents recommendations for a plan of work to the Convention, and as we wish all congressional matters reserved for consideration on Tuesday, the Executive Council will have to go into official session the latter part of that day in order to take up officially the recommendations which it wishes to make to the convention.

You will observe that on Monday, instead of lunching at the suffrage house, we will lunch with Mrs. Gifford Pinchot, who has kindly invited us.

Enclosed find also some bits of information which may prove of value. The ladies of the Cabinet are giving us a reception on Tuesday night at the Willard which will prove to be quite an important social and political affair.

You have already been informed that there are places enough for all the delegates if they will apply for the accommodations they want to Mrs. George W. Eastment, 2923 Ordway, Cleveland Park, Washington, D. C.

Cordially yours,

Carrie Chapman Catt

President.

Recommends:

THE EXECUTIVE COUNCIL

*[at the national  
convention,  
Dec. 10-11, 1917]*

THE FEDERAL AMENDMENT

1. That the National American Woman Suffrage Association concentrate its utmost endeavors to secure the passage of the Federal Amendment by the 65th Congress during the early months of 1918.
2. That if the 65th Congress fails to submit the amendment before the Congressional election of 1918 a number of Senatorial and Congressional Districts be selected equal to the number of votes necessary to change the result in each House, and that a campaign against candidates opposing the Federal Amendment be made in the 1918 elections. In our opposition to individual candidates, loyalty to the Federal Amendment shall not take precedence over loyalty to the country.
3. That a compact of State Associations willing and ready to conduct campaigns for ratification of the Federal Amendment be formed.
4. That as soon as the Federal Amendment be passed, the Washington House be sublet, if possible, and a Campaign Headquarters opened in Chicago, or St. Louis.
5. That the Board of Directors be authorized to call a mid-year meeting of the Executive Council in a centrally located City for the purpose of consideration of plans for the ratification of the Federal Amendment if it shall have passed Congress, or plans for the Congressional Elections if it shall not have passed.

*Jan 8*

THE STATE CAMPAIGNS

6. That Kentucky be asked not to proceed to referendum in 1918.
7. That Nebraska be asked not to submit the entire question to vote in 1918 by the circulation of an initiative petition.
8. That a definite offer of help be made to South Dakota when the needs and plans of the State have been set forth by the President.
9. That a visit of survey be made to Oklahoma and that no aid be extended to the campaign unless assurances which seem reliable can be obtained from the two dominant political parties.

10. That Massachusetts be urged to do its utmost to prevent a referendum from the Constitutional Convention.

11. That the Michigan Convention to be held in January be urged to consider carefully the needs of the campaign and to take definite and clear action as to what it will do and what help it wants from the outside.

12. That the request of Arkansas be considered and advisory action taken.

#### WAR SERVICE

13. (a) That the National American Woman Suffrage Association continue the four special departments devoted to war service, namely, Food Production, Thrift or Food Saving, Americanization and Economic Protection.

(b) That a new department designed to maintain the Woman's Hospital Unit in France be established.

(c) That these five departments be placed under the direction of a Committee, the Chairman of which shall be a member of the National Board.

(d) That each State auxiliary be asked to establish a War Service Committee, composed of a Chairman, and Chairmen of each of the five special departments of suffrage war service together with an additional one on Liberty Loans. This Committee of Seven shall direct the war service for each State Association and shall work in co-operation with the State Division of the Woman's Committee of the Council of National Defense in each State.

#### CONSTITUTION

14. That the Board of Directors be increased by the addition of four new members.

15. That the rule established last year be continued, that is, that the Board be permitted to appoint four Chairmen of main departments who shall be members of the Board but without a vote.

16. That all questions concerning the Budget for the National Association be referred to the Executive Council instead of the Convention.

# MINNESOTA WOMAN SUFFRAGE ASSOCIATION

*CALL to the 37th  
Annual Convention*

MINNEAPOLIS  
December 12th, 13th, 14th  
Radisson Hotel - Gold Room

# THE CALL

The past year in Minnesota has been the most tragic in its history. It has seen its sons march away to the great war, many of them never to return. In common with the rest of the world, a dangerous sickness has spread over its cities and towns and countryside, claiming hundreds of victims. And its crowning and peculiar woe has been the forest fires which have devastated some of our fairest land, which destroyed a thousand lives and the homes of thousands of our citizens.

We are a stricken people and yet, in spite of all, it is a time for thanksgiving.

The Great War is over. Our Minnesota boys have played a noble and thrilling part in averting the danger that threatened civilization. Those left in the fire swept regions are making a brave stand against the forces of discouragement and despair. They are rebuilding their homes and taking up the threads of their broken lives while our citizens are rallying to their assistance with sympathy and energy.

A strong determination and zeal has arisen to build a better civilization. Women will be partners with men in this reconstruction as they have been in the sorrows and labors that are past.

They will need mightily the tool—the ballot—that will make their aims and opinions effective, that will give power to the viewpoint of mothers and teachers and industrial workers.

The end of the long road of our suffrage association is in sight. Our cause is gaining momentum day by day. As with the end of the great war, our victory, when it comes, will come suddenly.

Three states—Michigan, South Dakota and Oklahoma—have rolled up great majorities in favor of suffrage amendments; and in Louisiana, the first southern state to have a referendum vote on woman suffrage, the amendment received a favorable vote throughout the state only to be defeated by the vote in New Orleans.

The Federal Suffrage Amendment is pending in the United States Senate having been passed by a two-thirds vote in the House of Representatives. The recent elections indicate the final passage of the amendment in Congress before many months.

We must see to it that our Minnesota Legislature does its share in helping to enfranchise the women of the country by duly ratifying the amendment.

## *Suffrage Convention Postponed*

The Annual Convention of the Minnesota Woman Suffrage Association, called for Thursday, Friday and Saturday, December 12, 13 and 14, is postponed indefinitely.

This action is taken because of the ban placed on all state meetings by the State Board of Health on account of influenza being still in force.

Please notify the members of your committee and all others who might plan to attend the meetings.

Will you please also ask the editor of your local paper to give this action publicity.

We are of course extremely sorry this action is forced upon us because we hoped many of our out-of-town workers would meet with us and together we could make plans that would make Minnesota's Suffrage quota assured.

But after all it is only another manifestation of the confusion of the day. Let us take hope and courage from the certainty that our cause is gaining day by day.

Sincerely yours,  
CLARE UELAND,  
State President.

*Mrs Ueland.*
