WOMEN VOTERS
CONFERENCE
and
CELEBRATION OF DOUBLE
ANNIVERSARY
NATIONAL AMERICAN
WOMAN SUFFRAGE ASSOCIATION

ST. LOUIS, MARCH 24TH TO 29TH
INCLUSIVE.

The 50th Annual Convention of the National American Woman Suffrage Association will be held in St. Louis, Statler Hotel, March 24th to 29th inclusive.

In 1869, Wyoming led all the world in granting full suffrage to women. The convention will commemorate the 50th anniversary of the event.

In 1869 the National Suffrage Association and the American Suffrage Association were formed, to be merged in 1890 into the National American Woman Suffrage Association.

For fifty years the organization has been continuous, holding annual conventions and making no pause in its educational work. During the half century, not a state constitutional convention has been held to which appeal for amendment granting equal justice to women, has not been made.

During that half century this body has not failed in many states to urge upon each Legislature the removal of the legal and political disabilities of women.

For forty years (since 1878) this Association has made its appeal to each succeeding Congress for amendment to the Federal Constitution. The convention will review the long years of struggle and commemorate the many victories won.

As the most fitting memorial to the half century of campaigns, the National American Woman Suffrage Association invites the women voters of the country to send delegates to a Women Voters' Conference, out of which it is hoped a new National Voters' League (to be named) will emerge.

DELEGATES

Each fully enfranchised state, viz. Wyoming, Colorado, Idaho, Utah, Washington, California, Oregon, Montana, Nevada, Arizona, Kansas, New York, Michigan, South Dakota and Oklahoma, will be permitted fifty delegates each.

CREDENTIALS

Delegates must secure credentials signed by the President and Secretary of their State Auxiliary of the National American Woman Suffrage Association or where this has lapsed, of the chairman and secretary of the Ratification Committee.

VOTING PRIVILEGES

All properly accredited delegates as above described, will be entitled to vote in the conference of Women Voters.

OTHER PRIVILEGES

All delegates to the Conference of Women Voters, are invited to attend the Convention of the National American Woman Suffrage Association, where they will be accorded all privileges, except the vote. A person may be a delegate to each body, but a separate credential is required for each and no credential can be accepted by the National American Woman Suffrage Association Convention from any organization except one which has paid dues into the National Treasury. (This is a rule of the Constitution.)

The objects of the Women Voters' Conference will be to find answers to the following questions which the delegates by majority vote will determine.

1. Why does the United States lag behind other nations in extending the vote to its women?

2. By what policy can the enfranchisement of women be most speedily brought to final triumph?

3. Are women voters treated with the dignity and respect they merit by political parties? If not, how may the present custom be improved?

4. Have women voters accomplished the most possible with their franchise? If not, how may they achieve better results?

5. Can women voters work for good causes most effectively as an independent non-partisan group outside the party, or as partisans within the parties?

6. What can be done to make the slow moving machinery of American Government respond more quickly to changes in popular sentiment?

7. Shall a Women Voters' National Organization be formed, into which auxiliaries of the National American Woman Suffrage Association may automatically pass after full enfranchisement?

CALL TO LEAGUE OF WOMEN VOTERS CONFERENCE.

The Minnesota Woman Suffrage Association, according to instructions from the National American Woman Suffrage Association, hereby issues a call to a State Conference to be held at the Radisson Hotel, Minneapolis, October 28th and 29th, for the purpose of forming the Minnesota League of Women Voters.

Our great national leader, Mrs. Carrie Chapman Catt, will be with us and will personally take charge of the section on Citizenship. Such leaders as Julia Lathrop, Head of the National Children’s Bureau, Mrs. Catherine Waugh McCulloch, chairman of the Unification of Laws for Women Committee, Mrs. Edward P. Costigan, chairman of the Food Supply and Demand Committee, and other national leaders will make this one of the most notable meetings ever held in the Northwest.

The work for woman suffrage is practically over. The right to vote for President of the United States has been given the women of the State, and the Legislature, called in special session, has ratified the Federal Suffrage Amendment.

Great actual and potential power is now vested in the women of the State. We must confer in order, first—that we may become enlightened voters and, second—to consider plans by which this great power may be directed for the good of the State.

Our Minnesota Woman Suffrage Association will soon cease to exist. Let us build in its place a mightier organization, which shall include all women and all organizations having for their purpose the raising of our standards of living and the safeguarding of our cherished institutions.

COME TO THE CONFERENCE!

Together the women of the state must make wise and farseeing plans to the end that our dreams of a democracy, in which men and women shall have an equal voice, must come true.

Clara Ueland.

Other speakers to be announced.

Men as well as women are invited to attend these conferences and are especially urged to be present at the dinner and the mass meeting.

This is not a complete and final program. There will be additions and may be slight changes.
How Will Women Vote?

Every man will want to know what effect the large number of newly enfranchised women voters will have on the political situation. This effect will be at least prophesied at the first Conference in this state of the League of Women Voters.

Men are urged to attend the meetings and banquet announced in the program of the Minnesota League of Women Voters, which will be formed in Minneapolis, Oct. 28-29, 1919. Tickets for the banquet can be obtained only at Donaldson’s Tea Rooms, not later than Saturday, Oct. 25.

“If ever the world sees a time when women shall come together purely and simply for the benefit and good of mankind, it will be as a power such as the world has never known.”

What is it?

A group of enfranchised women, who want not merely to vote, but to vote for something. The vote is only a tool with which to work, and for years they have struggled and sacrificed to secure it. Now, they want to build a better world for their neighbors and their posterity. They are women skilled in organization, propaganda and political work. Now they propose to unite once more and to bring their experience, their training and their enthusiasm to bear upon other problems.

What problems? Illiteracy, too easy qualifications for the vote, too uncertain dissemination of knowledge concerning citizenship and its duties and kindred topics.

Why not leave these questions to political parties for solution? These problems have existed for a century and have grown bigger, blacker and more menacing with each year and political parties have only evaded and avoided them.

How is the work to be done? By creating so widespread a demand for the needed correction of these ills that each political party will adopt the movement and make these aims a part of its platform and its campaign.

Is it political? Certainly, but not partisan. Its members are as free as other women to join and vote with the party of their choice. They make no pledge otherwise in joining the League of Women Voters. Their only obligation is to support the program which aims to bring the laws and the practices of every state up to the standard of the best law and best practice of any state.

What will the program be? All programs will be worked out by committees composed of experts on the subject treated, and will then be adopted, amended or rejected by the League of Women Voters in open discussion at its annual convention. There will be no secret support of or opposition to any measure. All members of the League and the public may know the exact objective of the League at any time.

How will the program be carried out? The League of Women Voters authorized the following eight committees:

1. American Citizenship.
4. Improvement in Election Laws and Methods.
5. Social Hygiene.

6. Unification of Laws Concerning the Civil Status of Women.

7. Food Supply and Demand.

8. Research.

Meanwhile, what? Organization, education, understanding, study, investigation and legal work.

Can women accomplish this alone? No, women and men will work together. The League of Women Voters makes its call to the brave, the intelligent, the forward looking. No others will be interested. Its program is so patriotic, so sound, so obviously needed; its motives are so unselfish and impersonal; its aims so certainly for “the benefit and good of mankind” that its success is assured.

SHORT COURSE
IN
CITIZENSHIP FOR WOMEN VOTERS

November 17 to 21, 1919

Conducted by the University of Minnesota,
General Extension Division, in cooperation with the Minnesota League
of Women Voters.

SHORT COURSE IN CITIZENSHIP FOR WOMEN VOTERS

November 17 to 22, 1919

As a result of recent action by state legislatures and by the national Congress the suffrage for all local, state, and national offices may now be said to be measurably within the reach of the women citizens of the United States. Since these women voters will soon be casting the ballot for the first time, it seems to be the part of wisdom to plan some kind of training to enable them to handle the new privilege and opportunity with wisdom. Having been restrained from active participation in local, state, and federal politics, the new women voters are naturally not thoroughly familiar with the frame of federal government, with the underlying principles of state government, or with the practical machinery through which the orderly processes of local party government are carried out. A survey of national, state, and municipal government as well as of the problems pressing for solution would, therefore, seem to be indicated as the first step in the present political situation.

At the instance of the Minnesota League of Women Voters, therefore, the University of Minnesota, through its General Extension Division, in pursuance of its settled policy to make the facilities of the Faculty, libraries, and laboratories available in every way possible to the people of the state, has organized a short and intensive course in Citizenship to be offered to the women of Minnesota during the afternoons and evenings from Monday, November 17, to Friday, November 21, inclusive. During these five days there will be three periods of work each afternoon and three periods each evening. As rapidly and as thoroly as it may be done, in the limited time that is available, members of the University Faculty will give surveys of the elements of federal, state, and municipal government. In addition, there will be lessons in Public Speaking and in Parliamentary Procedure. The fundamental principles underlying democratic government will be treated in lectures on Political Ethics. There will be conferences on such subjects as the Food Problem, Americanization, Pending Political and Social Problems, Public Health, and other questions of vital importance. It is hoped that the women of Minnesota will avail themselves of this opportunity for obtaining in a short space of time a conspectus of our American system of government. For those who wish to pursue these studies further and at greater leisure, the lecturers will supply bibliographies and references.

Place of Meeting

The afternoon meetings from two to four-thirty will be held in the auditorium of the Law Building on the main University campus. The evening meetings from seven-thirty to nine-forty-five will be held in the Mayor’s reception room, Minneapolis City Hall.

Registrations

Those persons who attend the course will be expected to register as regular students. One may have the choice of registering for the entire course or for the evening sessions only.

Fees

The fee for the entire course, evenings and afternoons, will be $4. The fee for the evening sessions only will be $1. Admission to afternoon and evening sessions will be by ticket only.

Notebooks

Since this is to be an intensive course and much information is to be given in condensed form, every student is urged to bring her notebook and to make copious notes. The student is especially urged to note the lists of books and reading matter for future reference.

Place of Registration

Registration may be made in advance at the office of the General Extension Division, University of Minnesota, or at the office of the Minnesota League of Women Voters, 403 Essex Building, Minneapolis.

CORRESPONDENCE COURSES OF VALUE TO THE WOMAN VOTER

The University of Minnesota, General Extension Division, offers through its Department of Correspondence Study the following home-study courses, which are of distinct value to the woman who is for the first time beginning to think seriously on public questions:

1. American Government. A course devoted to the study of the origin and nature of our national government.

2. State and Local Government. A course which discusses the state government both in itself and in its relation to local and national governments.

3. American Municipal Administration. A course in which the problems of city life are studied.

4. Elements of Economics. A course devoted to a general study of economics as a background for the understanding of economic problems.

5. Introduction to Sociology. A study of the evolution and present organization of human society.

Full information as to these courses and how to register for them may be obtained by writing to the General Extension Division, University of Minnesota, Minneapolis.

INVITATION
TO THE
VICTORY CONVENTION
OF THE
NATIONAL AMERICAN
WOMAN SUFFRAGE ASSOCIATION
AND THE
FIRST NATIONAL CONGRESS
OF THE
LEAGUE OF WOMEN VOTERS

The National American Woman Suffrage Association invites you to join the elected delegates of its State Auxiliaries in annual convention at the Congress Hotel, Chicago, Illinois, February 12th to 18th, inclusive, the opening session to be held the afternoon of February 13th. As convener of the first National Congress of the League of Women Voters, it invites you also to attend its session.

This meeting of suffragists is of unique importance. It marks the end of one period of achievement in the progress of women and inaugurates a new one. These Conventions are called, therefore, first, to celebrate with fitting ceremony the victory of accomplishment, and second, to counsel together in the building of a constructive program whereby the use of the ballot will benefit the generations of men and women to come.

It is earnestly desired that you be present and take part in the celebration and in the adoption of a program for nation-wide service.

The next Congress of the International Woman Suffrage Alliance will be held in MADRID, SPAIN May 2nd to 6th, 1920

ELECTIONS
Of the National American Woman Suffrage Association, Monday, February 16th; of the League of Women Voters, Tuesday, February 17th.

DELEGATES
To Convention of the National American Woman Suffrage Association.

The number of delegates to the National American Woman Suffrage Association to which State Auxiliaries are entitled will be determined as formerly by the number of dues-paying members.

To the Congress of the League of Women Voters.
All national women’s organizations doing propaganda or legislative work in harmony with the projected program of the League of Women Voters will be officially invited to send ten delegates. Each State Auxiliary of the National American Woman Suffrage Association will be invited to secure one delegate from each state woman’s organization similarly interested, the delegate to be chosen by the association to be represented. Delegates to the Convention of the National American Woman Suffrage Association will be ex-officio delegates to the Congress of the League of Women Voters, but will constitute not more than half the number of qualified delegates of that convention, providing other organizations cooperate in launching the League of Women Voters by appointing the delegates to which they are entitled.

FRATERNAL DELEGATES
From any organization of men or women will be hospitably welcomed.

NORMAL SCHOOL OF CITIZENSHIP
The two conventions will be followed by a seven-days’ Normal School of Citizenship, designed to train competent teachers of American Citizenship. The dates will be Thursday, February 19th, to Wednesday, February 25th, inclusive. Candidates may become members without fee by filling out an enrollment blank which will be sent with program upon application to the National American Woman Suffrage Association, 171 Madison Avenue, New York City. At the close of the session an examination will be held which will entitle successful candidates to a certificate if previous preparation and endorsements of character so warrant.

A Notable Occasion

This will be one of the greatest historic conventions ever held in the United States.

Victory Convention

It will probably be the last Suffrage Convention every held in the United States. The speedy ratification of the Federal Suffrage Amendment will make future Suffrage Conventions unnecessary.

Equal Suffrage A Reality

We hope men and women will meet together in the future as voting citizens.

Public Invited

All persons, men as well as women who are interested in the deliberations of this convention are cordially invited to attend its sessions.

The Aim of the School

The aim of the school is to train women, already equipped with competent knowledge of Civil Government and Political Science, to teach new voters the ideals of American Citizenship, the processes of registering and casting a vote, the methods of making nominations and platforms, the nature of political parties, and the best ways of using a vote to get what they want, and to effect the general welfare of our people.

The Plan

Each state will be urged to hold a similar state school to be followed by others in every Election District. The aims are: (1) To carry the message to every woman in the land, that good citizens not only register and vote, but know how to do so, and why they do it. (2) To set a standard of good citizenship with an “irreducible minimum” of qualification below which no person can fall, and lay claim to the title good citizen.

Who May Be Students

All applicants for enrollment must fill in an application blank, and will be accepted if sufficient evidence is given of fundamental education and commendable character. Application blanks may be had at the National Headquarters.

Hall and Hours

The hours will be 9:30 - 12:30; 2:00 - 4:00; 8:15 - 9:45.

The Place

Auditorium Recital Hall.

Cost

The school is free to all students.

Certificate

A certificate of endorsement will be given to those who successfully pass an examination at the close, if previous preparation and endorsements of character so warrant. No guarantee of employment can be given.

Equipment Needed

Note books and pencils.
