SCOPE AND CONTENTS OF THE RECORDS

Files on developmental disabilities grants administered by the state's regional development commissions. They include minutes (photocopies) of the commission's developmental disabilities task forces or councils; final, annual, quarterly, and progress reports; work plans and regional plans; correspondence; and related records.

Each regional development commission had the responsibility for implementing the regional components of the developmental disabilities state plan, establishing a regional developmental disabilities advisory council, and submitting an annual work plan. Upon recommendation of the Governor's Council following the submittal of an acceptable work plan, a planning grant was awarded to the regional development commission to help carry out developmental disability planning at the local level.

ARRANGEMENT OF THE RECORDS

The records for 1972-1973 – 1980-1981 are arranged first by fiscal year; there under by regional development commission number. Those for 1981-1982 are arranged only by fiscal year.
