Metropolitan Local Water Management Task Force (MLWMTF) records, 1989-1990. 5 folders.

Mainly the agenda packets of task force chair Donald Ogaard, one of the three BWSR task force members. The task force was established by Article 9 of the 1989 Groundwater Protection Act. The mission of the task force was to investigate the overall effectiveness of local water management activities in the seven county metro area, particularly the watershed management organizations. The files also include the task force's final report.
