- Location:** See Detailed Description section for box locations.

#### SCOPE AND CONTENTS OF THE RECORDS

General topics dealt with in the videotapes include the economy, environment, education, crime prevention and safety, budget, taxes, ethics, healthcare, state and national politics, welfare reform, and technology, while topics of particular interest to Carlson's office include his Minnesota Milestones (budget) and Minnesota 2000 (outcome based education) programs, his 1993 budget bus tours, school vouchers and education tax credits, publicly funded boarding schools, disaster recovery efforts following flood (1993, 1997) and tornado (1998) damage, the Minnesota Twins baseball team's threatened move, Y2K compliance, and the 1998 U.S.S. Des Moines controversy. The videotapes also cover Carlson appearances in Mexico (ca. 1991) and Japan (1992), National Governors' Association meetings, his State of the State addresses (1991-

1996, 1998), and appearances by lieutenant governors Joanell Dyrstad (1991) and Joanne Benson (1997).

Many of the videotapes contain news programs originating on Twin Cities television stations, particularly KTCA, KARE, WCCO, KSTP, and KMSP. Several editions of KTCA's weekly *Almanac* program are included, as well as, programs originating on Rochester and Duluth television stations and on the C-SPAN network.

Several tapes were accompanied by cover letters, which are noted in the following Description of the Collection and are housed in a folder in the appropriate box.
