Your Committee on Claims to
whom was referred the above bill
of Cha^s King would respectfully Re-
quest leave to report that they have had
the same under consideration and
would state that in our opinion
it is ^{the} duty of the several counties
wherein the service was rendered to
pay for s^d service, as the s^d King
by virtue of his appointment ^{by the District Judge} was
acting (in the absence of the Prosecuting
attorney for the Judicial District)
in the capacity of a District Atton-
-ney for the s^d counties, hence the
claimant should receive pay for
his services from the proper counties
and not from the State.

Your Committee therefore recommend
that the Bill be not allowed.
