OVERVIEW

Series Title: Published records and reports.
Abstract: Reports, newsletters, and miscellaneous print and near-print items of or about the department.
Quantity: 23.0 cu. ft. (24 boxes).
Location: See Detailed Description section for box locations.

SCOPE AND CONTENTS

The records cover all aspects of the department’s duties and activities, particularly licensing of medical professionals and facilities, child and maternal health, nutrition, community and home health services, child care, contagious diseases, handicapped children, dental health, emergency medical, epilepsy, health education and facilities, heart disease and cancer, HIV/AIDS, industrial/occupational health, animal diseases, mental health, migrants, pollution, public health nursing, health rules and regulations, sanitation, school health, social hygiene, and vital statistics.

ARRANGEMENT

The records are divided into four sections: serial publications, two alphabetical subject area sets, and one chronological general publication set.

INDEX TERMS

These records are indexed under the following headings in the catalog of the Minnesota Historical Society. Researchers desiring materials about related topics, persons or places should search the catalog using these headings.

Topics:
- AIDS (Disease).
Cancer—Minnesota.
Child care—Minnesota.
Children—Health and hygiene.
Children—Nutrition.
Children with disabilities—Minnesota.
Communicable diseases—Minnesota.
Communicable diseases in animals.
Community health services—Minnesota.
Emergency medical services—Minnesota.
Environmental health—Minnesota.
Epilepsy—Minnesota.
Health—Law and legislation—Minnesota.
Health education.
Heart—Diseases—Minnesota.
Hygiene.
Health facilities—Minnesota—Directories.
HIV (Viruses).
Hospitals—Minnesota.
Industrial hygiene.
Maternal health services.
Migrant labor—Health and hygiene.
Medical personnel—Minnesota—Directories.
Medicine—Minnesota.
Mental health services—Minnesota.
Nutrition.
Pollution—Minnesota.
Public health nursing—Minnesota.
Public health—Minnesota.
School hygiene—Minnesota.
Sanitation.
Sewerage.
Teeth—Care and hygiene.
Water—Pollution—Minnesota.
Water-supply.
