HUBBARD COUNTY District Court

An Inventory of Its Civil and Criminal Case Files

OVERVIEW OF THE RECORDS

Agency: Minnesota. District Court (Hubbard County).
Series Title: Civil and criminal case files.
Dates: 1888-1981 (bulk 1888-1956).
Quantity: 69.0 cu. ft. (69 boxes and 2 partial boxes).
Location: See Detailed Description section for box locations.

SCOPE AND CONTENTS OF THE RECORDS

Civil and criminal case files, numbers 1-7422 (1888-1956), filed as an integrated set; include torrens case files and coroner's inquest files. Also an auxiliary set of numerical case files, including coroner's inquests, case file transcripts, depositions, exhibits, and related records that, due to legal paper size, did not physically interfile into the main set of civil and criminal case files, and a small set of unnumbered case files (1909-1981).

Note to researcher: Materials in the auxiliary set of numerical case files may or may not also have files in the main set. Researchers should check both sets of files to insure they've found all materials relating to a given case file.

ARRANGEMENT OF THE RECORDS

Arranged in three sections: the main set, filed numerically (also roughly chronologically) by case file number; an auxiliary set, also filed numerically by case file number; and a chronological set of unnumbered case files.

OTHER FINDING AIDS

An index to the main set of files is available through the court.
