Among the juniors, the
juniors, there's spirit and
there's cheering.
And there never was a minute
The Senior class was in it.
Beat with colors -
Beat with cheering.
Out classed all the time.
Brought in a meadly banner
And it didn't cost a dime
But the juniors, the juniors,
Their dancing, flaring,

Would make you wish

Mae's solo was very pretty.
Not in the Easter in it.
Mrs. Lee didn't play very
well.

Fls. Hobbs played well.

"Nature's Easter" is lovely

Alice sang same as
usual. Her voice so
often fails her when
it should hold out.

Lill didn't play the "Melody
in F." They omitted

those in which Miss
Fitzsimmons figured

as she had a cold

Mr. Halgren's was
too elaborate.

But altogether I
enjoyed it very
much.
