### "THE SANCTUARY OF THE HOME"

"The Sanctuary of the Home"—Prayers for the Jewish Home and Family, written by Rabbi Minda, has been sent to all the members of the Temple. It is hoped that they will examine the contents and use the various prayers for the different occasions specified.

The publication of this book was made possible through a gift by a friend to "The Rabbi's Fund of Temple Israel." It is hoped that amongst other purposes to which this fund might be dedicated will be that of publishing of sermons, tracts, and devotional material which may be helpful to our congregation and to Jew and non-Jew outside of the Temple.

### FAMILY PRAYER ON MOTHER'S DAY

Our Heavenly Father whose love is without end, we lift our voices and hearts in gratitude for the life and devotion of mother to whom this day is dedicated.

For her hand that guides us—for her vision that watches over us—for her heart that beats with affection, and for her spirit that strengthens us—we offer unto Thee our profound thanks.

May our appreciation be expressed not only by the words of our mouths and the gifts of our hands, but by deeds that bring joy to her soul and reflect honor on her name.

We ask, O God, Thy blessing upon our dear mother. Grant fulfillment to her fondest hopes that she cherishes for us and the fervent prayer we offer for her.

AMEN.

# What Can Religion Do in these Days

Our generation - men of Goodwill - no will  
Those of evil. will, plenty of will!

Crisis of our Time = moral -  
failure to make a decision } Ever since 1920

no lack of information - lack of moral  
courage.

(X) We have relied on ritual, on pious  
pronouncements - rather than Action -

Faith is only as strong as its believers.  
We have failed to believe, we just  
accepted!

(1)

Back in 1929 the Federal Council of Churches of Christ in America published a famous bulletin outlining Ten Commandments of Social Justice

- (1.) I am the Lord thy God, but thou shalt remember that I am also the God of the earth; I have no favorite children. The negro and the Hindu, the Chinese, the ~~Japanese~~ Jew, Russian, and Mexican are all my beloved children
- (2.) Thou shalt not measure a city's greatness by its population or its bank clearings alone, but also by its low infant mortality, its homes, play grounds, libraries, schools and hospitals, its low record for robbery, murder, + Prostitution
- (3.) Thou shalt remember that no civilization can rise above the level of its respect for and ideals of womanhood.

- (4) Thou shalt remember thine own sins and build no prisons for revenge and punishment, but make the courts clinics for the the soul, and the jails hospitals for moral diseases
- (5) Thou shalt remember that the end product of industry is not goods or dividends, but the kind of men and women whose lives are molded by that industry
- (6) Thou shalt press on from political democracy toward industrial democracy, remembering that no man is good enough or wise enough to govern another man without his consent, and that, in addition to a living wage, every man craves a reasonable share in determining the conditions under which he labors.

- (7) Thou shalt outlaw war and make no threatening gestures either with great navies or vast military preparations against thy neighbor. - no aggression
- (8) Thou shalt honor men for Character and service alone, and dishonor none because of race, color, or previous condition of servitude.
- (9.) Thou shalt not bear false witness against thy neighbor by malicious propaganda or colored news.
- (10) Thou shalt remember that when thine own ancestors were savages and barbarians, other men brought to them the saving and civilizing ~~Christian~~ <sup>Religious</sup> ~~message~~ <sup>message</sup>. Now that thou art rich and prosperous, beware lest thou export to Asia and Africa only thy science and efficiency, the warships, goods, and moving picture films, and forget to export the ~~Christian~~ <sup>Democratic</sup> message.

democratic  
1 message and the ~~Christian~~ <sup>humanitarian</sup> spirit also - (4)

war = ~~injustice~~ social justice - living democracy.

The ancient Prophets -

Amos, Hosea, Isaiah, Jeremiah - all  
cried out against injustice - proclaiming  
the doctrine of social justice -

Listen to Isaiah in his rebuke to the men of  
his day: First of all condemning their  
ritualism - their adherence to ceremony

"Your hands are full of blood. Wash you,  
make you clean;  
Put away <sup>the</sup> evil of your doings before mine  
eyes  
Learn to do evil, learn to do well;  
Seek justice, relieve the oppressed."

Then hear Amos

~~I hate, I despise your feasts~~  
~~and I will take no debt.~~

"Let justice roll down as waters  
and righteousness as a mighty stream"

Then our own Bishop Francis John McConnell  
great leader in Social Action

"If Christianity acquiesces in injustice which men perpetrate institutionally, and insists in the same breath upon devotion to a growing moral ideal, it is split by a deadly contradiction. Christianity cannot be a half-way religion."

"Christianity is either moral or <sup>it is</sup> nothing!"

What does <sup>all</sup> this mean in Concrete terms?

(H) Lets take ~~our~~ <sup>some of our</sup> Ten Commandments of Social Justice:
