## 1. ANCHORS AWEIGH

Anchors aweigh, my boys, Anchors aweigh  
Farewell to college joys, we sail at break of day, day, day day.  
Through our last night on shore—Drink to the foam,  
Until we meet once more—Here's wishing you a happy voyage home!

## 2. IN THE GOOD OLD SUMMERTIME

In the good old summertime, in the good old summertime,  
Strolling through the shady lanes—With your baby mine.  
You hold her hand and she holds yours—And that's a very good sign  
That she's your tootsey wootsey—In the good old summertime.

## 3. I'VE BEEN WORKING ON THE RAILROAD

I've been working on the railroad all the livelong day,  
I've been working on the railroad to pass the time away.  
Don't you hear the whistle blowing—Rise up so early in the morn'  
Don't you hear the captain shouting "Dinah, come blow your horn"?

## 4. THE BAND PLAYED ON

Casey would waltz with a strawberry blonde—and the band played on,  
He'd glide cross the floor with the girl he adored—and the band played on.  
But his brain was so loaded it nearly exploded—the poor girl would shake with alarm;  
He married the girl with the strawberry curl—and the band played on!

## 5. BICYCLE BUILT FOR TWO

Daisy, Daisy, give me your answer true,  
I'm half crazy—all for the love of you.  
It won't be a stylish marriage; I can't afford a carriage,  
But you'll look sweet—upon the seat—of a bicycle built for two!

## 6. GOD BLESS AMERICA

God bless America—Land that I Love,  
Stand beside her—and guide her—through the night with a light from above.  
From the mountains—to the prairies—to the oceans white with foam—  
God bless America—My home sweet home!
