This is Senator Hubert H. Humphrey in Washington.

It is wonderful news to hear that East Central Minnesota is going to have the fine additional service which WCMP will bring from Pine City, *Mora and Cambridge.*

Who says radio is dying!

~~It is~~ ^{*is what is*} The kind of enterprise and courage that the owners of WCMP exhibit ~~in this~~ bringing radio back to its rightful place as a prime carrier of news and special events -- particularly about local happenings -- ^{*and*} of good music and good cheer.

I feel sure that the citizens of Pine, Chisago, Kanabec and Isanti Counties and of all east central Minnesota will welcome this new service. Our friends across the St. Croix in Wisconsin will also be looking forward to ^{*WCMP's radio service*} ~~this new service.~~

Congratulations to owners Richard Power, John Hunter and Dewey Campbell, and best wishes for a fine and prosperous career in broadcasting.
