⌞ Last year, the voters of the Seventh District gave the Johnson-Humphrey ticket an overwhelming

mandate. ⌞ Today you can send to Congress a man who believes in the programs of this Administration and supports the progress achieved by the President and by the 89th Congress: Medicare, aid to education, measures to build a strong economy and national defense, programs for opportunity.

Jim Berry will vote "yes" for your future in the Congress.

⌞ Jim Berry is a dedicated public servant. He has been the best prosecutor Clark County has ever had. And he will be the best Congressman you ever had.

What is the alternative to Jim Berry? The alternative, my friends, is the same old tired obstructionism and negativism.

Jim Berry's opponent would have joined 90 per cent of the Republicans who voted to re-commit the poverty bill.

Jim Berry's opponent would have joined 93 per cent of the Republicans who voted to re-commit the Medicare program.

Jim Berry's opponent would have joined 85 per cent of the Republicans who voted to re-commit the voting rights bill.

Jim Berry's opponent would have joined 97 per cent of the Republicans who voted to re-commit the new housing bill.

Your choice is clear: You can elect a candidate who says "yes" to your future; or you can support one who will continually vote "no."

I believe you will support Jim Berry. I believe the people of this district are united in wanting new opportunity and progress. And I believe that you will send to Congress the man who best expresses your hopes and aspirations -- James A. Berry.

I believe you share President Johnson's view that in Jim Berry the people of the Seventh District have "found a responsible and articulate spokesman for their cause."

And I believe that on November second, the Seventh District will send Jim Berry to Congress.
