

REMARKS BY  
SENATOR HUBERT H. HUMPHREY  
TO THE  
NEW YORK STATE DEMOCRATIC CONVENTION  
NIAGRA FALLS, NEW YORK  
JUNE 13, 1974

I have come here tonight to renew an acquaintance with my fellow Democrats from the Empire State.

I will never forget this state and what you have done for me and the Democratic Party.

New York -- the cradle of progressive Democratic politics.

New York -- the state which gave us the fearless Al Smith who dared to be right before his time.

New York -- the state which gave us the great Franklin Delano Roosevelt who rescued this nation from despair and gave the American people and the world hope for a better day.

New York -- the state which gave the nation Herbert Lehman as Governor and Senator.

New York -- the state which gave the nation Averill Harriman.

New York -- the state which elected Robert F. Kennedy its Senator so that he could champion the progressive causes of his fallen brother.

And this wonderful state gave me its support in 1968, putting me within a whisper of defeating Richard Nixon. Thanks for 1968.

I will be forever grateful to the people of New York.

We meet today at a critical juncture for the Democratic Party and for our nation.

The November elections are less than six months away. The Presidential election of 1976 looms over the horizon two years and five months into the future.

For the men and women who lead the Democratic Party here in New York and in the Congress the period from now until November of 1976 will be a crucial time of testing.

We must prove to the American people that we can respond to their needs and govern America.

We will have to prove that our economy can be made healthy once again.

And as Democrats we must prove that we can govern the nation's cities and states equitably, permitting no special favor for the powerful and showing compassion for the needy.

If we pass these tests, Democrats will be elected to local, state and Federal office in overwhelming numbers this November. And then we will be in a position to elect a Democrat as President in November of 1976.

To put it bluntly: 1974 and 1975 are years of decision and years of opportunity for Democrats.

In the next two years we either will prove that we are capable of effective action and restoration of trust, or we will forfeit our claim to progressive political leadership capable of governing this great nation.

It will do little good to tell the American people what "could be done" if a Democrat were sitting in the White House today.

Nor will it help to tell New Yorkers what "could be done" if you had a Democratic Governor in Albany.

The people expect and demand our Party to act now. They expect our Party to act decisively to solve their problems from the positions of trust and responsibility we now hold.

The people are outraged by Watergate. We must clean up the mess and govern America. We must do this so that the people can once again believe that government is run for them and not for the special interests.

The job to be done, the challenges to be faced, are not only in Washington.

They are here in the cities and towns of this great state. Those of you involved in local and state government are on the front lines, so to speak.

If the people of New York are to believe that politics can be an honorable and worthy profession, the Democratic Party must respond to the needs of the people.

Democrats in Congress must stand ready to enact a progressive legislative agenda which will aid you in your efforts in local and state elections in 1974 and 1976. And this agenda must include:

--An education program of equal opportunity for all -- including handicapped and minorities.

-- A national health insurance program for all Americans at a cost all can afford.

--Tax reform which brings fairness and equity to the American people.

--A job program which will not let working families be impoverished by rising rates of unemployment.

--A program to fight inflation on two fronts -- for the elderly and for the working families.

--A program for housing our people. If we can have six percent loans for export-import, why not for housing and community development.

At a minimum, this is what a Democratic Congress must achieve in the months ahead if we are to win the trust and confidence of the people.

In the months ahead all of us are going to hear a great deal about the dangers of a massive Democratic victory this November. We already have heard the first salvos of Republican rhetoric as the Vice President makes the rounds of the party faithful.

I want to say tonight: Beware of the myths that desperate Republicans will utter as the economic situation worsens and the public continues to be outraged by the abuses of Watergate.

Here are four myths that we must destroy -- just as Harry Truman destroyed the myth that a simple and honest man of the people couldn't run this country!

Myth number one. The Republicans say: "Elect more Democrats and we'll have a legislative dictatorship."

I say that we just managed to stop one dictatorship in the nick of time -- an Executive dictatorship in a Republican White House.

We won't have another from the Congress -- I can assure you of that!

And who may I ask acts like a man answerable to no one?

Who refuses to obey subpoenas?

Who refuses to say he will obey a ruling of the Supreme Court?

Not a Democratic Senator or Congressman. But a Republican President who still acts like he is above the law!

And whose voice do we hear objecting to Presidential defiance of the law and perhaps of the highest court in the land? The Vice President? Not really. A majority of Republicans in Congress? No.

So let's not stand for this talk of legislative dictatorship.

Myth number two. The Republicans say: "Elect Democrats and a veto proof Congress will spend and spend with big Federal programs."

Let's set the facts straight on this one.

Over the last five years, the Republican administration has added more than \$100 billion to the national debt.

Five consecutive budgets have been offered by a Republican administration that have been in deficit by \$100 million.

Democrats in Congress have managed to trim about \$25 billion from the President's budget requests.

Myth number three. The Republicans say: "Democratic candidates are being manipulated by labor unions."

Why does the American labor movement generally support Democratic politicians?

Because we vote for higher food and fuel prices? Because we favor lower minimum wages? Because we voted to retain a veto of better hospitals and better schools? Because we joined with the special interests in voting for tax loopholes and higher profits? No!

As long as the Democratic Party stands for a better break for the average guy, big business and the barons of industry will say that we are in the pocket of the unions.

So let them make this phony charge. My political career has been built with the support of the men and women in the factories and shops of this nation.

If Democrats continue to fight for social and economic justice, we will never lose the support of the millions of Americans who have the good fortune to belong to labor unions.

Myth number four, the shrewdest myth of them all. The Republicans say: "Richard Nixon is the cause of the nation's problems, not the Republican Party."

We have seen it already.

Republicans will try to run from their President. They will denounce him and they will say it's all his fault.

Well, I am not blaming the Republican Party for Watergate.

But I do blame Republicans for supporting an unprecedented number of Nixon vetoes of programs designed to help ordinary working families here in New York and elsewhere.

I do blame Republicans for allowing Richard Nixon to impound \$11 billion in Congressionally appropriated funds.

I do blame Republicans for supporting Richard Nixon's economic policies which have brought us the highest interest rates, skyrocketing inflation, unemployment and hardship for the American people.

And I do blame Republicans and Richard Nixon for sitting idle while the energy crisis came crashing down on the American people and the oil companies harvested tremendous profits.

The Republican party may try to divorce itself from Richard Nixon.

But we must not let it hide the truth about the man it supported from the halls of Congress time and time again. He was their candidate.

You must not let these myths and the politics of fear win out over the politics of truth and compassion.

You must not let internal divisions rob us of the victories we deserve.

And you must continually remind the people of this state that it has been under Democratic leadership that Americans have pulled themselves up in hard times:

--Under Franklin Roosevelt from a depression;

--Under Harry Truman from the threat of severe post-war economic dislocation at home and economic instability abroad;

--Under John Kennedy from a serious recession;

--And under Lyndon Johnson toward implementing the ideal of hope and opportunity for all Americans.

Our people today have a right to expect the same kind of Democratic leadership. The America we want can be.

Democratic victory this November. We already have  
heard the first salvos of Republican rhetoric as

party faithful.

Myths

I WANT TO SAY TONIGHT: BEWARE OF THE MYTHS

THAT DESPERATE REPUBLICANS WILL UTTER AS THE

ECONOMIC SITUATION WORSENS AND THE PUBLIC CONTINUES

TO BE OUTRAGED BY THE ABUSES OF WATERGATE.

4 myths

HERE ARE FOUR MYTHS THAT WE MUST DESTROY.

JUST AS HARRY TRUMAN DESTROYED THE MYTH THAT A

SIMPLE AND HONEST MAN OF THE PEOPLE COULDN'T RUN

THIS COUNTRY.

#1

MYTH NUMBER ONE. THE REPUBLICANS SAY: "ELECT

MORE DEMOCRATS AND WE'LL HAVE A LEGISLATIVE DICTATORSHIP."

I SAY THAT WE JUST MANAGED TO STOP ONE DICTATORSHIP

IN THE NICK OF TIME -- AN EXECUTIVE DICTATORSHIP IN A

REPUBLICAN WHITE HOUSE.

WE WON'T HAVE ANOTHER FROM THE CONGRESS--I

CAN ASSURE YOU OF THAT.

DEMOCRATS HAVE TOO MUCH RESPECT FOR THE LAW,  
TOO MUCH BELIEF IN THE RULES OF OUR SOCIETY TO  
IMITATE WHAT THE REPUBLICANS CONDONED IN THE WHITE  
HOUSE.

AND WHO MAY I ASK ACTS LIKE A MAN ANSWERABLE

TO NO ONE?

WHO REFUSES TO OBEY SUBPOENAS?

WHO REFUSES TO SAY HE WILL OBEY A RULING  
OF THE SUPREME COURT?

L NOT A DEMOCRATIC SENATOR OR CONGRESSMAN.

BUT A REPUBLICAN PRESIDENT WHO STILL ACTS LIKE  
HE IS ABOVE THE LAW.!

AND WHOSE VOICE DO WE HEAR OBJECTING TO  
PRESIDENTIAL DEFIANCE OF THE LAW AND PERHAPS  
OF THE HIGHEST COURT IN THE LAND? THE VICE  
PRESIDENT? NOT REALLY. A MAJORITY OF  
REPUBLICANS IN CONGRESS? No.

SO LET'S NOT STAND FOR THIS TALK OF LEGISLATIVE  
DICTATORSHIP.

#2 MYTH NUMBER TWO. THE REPUBLICANS SAY:

"ELECT DEMOCRATS AND A VETO PROOF CONGRESS WILL

SPEND AND SPEND WITH BIG FEDERAL PROGRAMS."

*Spend*

LET'S SET THE FACTS STRAIGHT ON THIS ONE.

OVER THE LAST FIVE YEARS, THE REPUBLICAN

~~Administration~~ <sup>Administration</sup> HAS ADDED MORE THAN \$100 B BILLION TO THE <sup>\$100 Billion</sup>

NATIONAL DEBT. FIVE CONSECUTIVE BUDGETS HAVE

BEEN OFFERED BY A REPUBLICAN ADMINISTRATION

THAT HAVE BEEN IN DEFICIT BY \$100 MILLION.

DEMOCRATS IN CONGRESS HAVE MANAGED TO TRIM ABOUT

\$25 BILLION FROM THE PRESIDENT'S BUDGET REQUESTS.

THE REPUBLICANS ARE THE BIG SPENDERS AND  
THEIR SPENDING PRIORITIES START WITH HELPING  
OIL COMPANIES, MULTINATIONAL CORPORATIONS AND  
DEFENSE CONTRACTORS.

Change Priorities:  
Educ - Health Elderly  
Handicapped

THE POOR, THE ELDERLY, THE HANDICAPPED, THE  
AVERAGE AMERICAN WORKING FAMILY ARE AT THE BOTTOM  
OF THEIR LIST. WHEN IT COMES TO PEOPLE, THE  
REPUBLICANS DON'T WANT TO SPEND A DIME.

#3  
MYTH NUMBER THREE. THE REPUBLICANS SAY:

"DEMOCRATIC CANDIDATES ARE BEING MANIPULATED BY  
LABOR UNIONS."

~~LET ME ASK?~~ WHY DOES THE AMERICAN LABOR  
MOVEMENT GENERALLY SUPPORT DEMOCRATIC POLITICIANS?

BECAUSE WE VOTE FOR HIGHER FOOD AND FUEL  
PRICES? BECAUSE WE FAVOR LOWER MINIMUM WAGES?

BECAUSE WE VOTED TO RETAIN A VETO OF BETTER HOSPITALS

AND BETTER SCHOOLS? BECAUSE WE JOINED WITH THE

SPECIAL INTERESTS IN VOTING FOR TAX LOOPHOLES

AND HIGHER PROFITS?

*NO-NO!*

~~HARDLY~~. AS LONG AS THE DEMOCRATIC PARTY

STANDS FOR A BETTER BREAK FOR THE AVERAGE GUY,

BIG BUSINESS AND THE BARONS OF INDUSTRY WILL

SAY THAT WE ARE IN THE POCKET OF THE ~~THE~~ UNION~~S~~

~~MOVEMENT.~~

*SO* LET THEM MAKE THIS PHONY CHARGE., *my*

POLITICAL CAREER HAS BEEN BUILT WITH THE SUPPORT

OF THE MEN AND WOMEN IN THE FACTORIES *and* AND SHOPS,

OF THIS NATION.

L IF DEMOCRATS CONTINUE TO FIGHT FOR SOCIAL *and economic*

JUSTICE AND ~~ECONOMIC EQUITY~~ WE WILL NEVER LOSE

THE SUPPORT OF THE MILLIONS OF AMERICANS WHO HAVE

THE GOOD FORTUNE TO BELONG TO LABOR UNIONS.

#4 L MYTH NUMBER FOUR, THE SHREWDEST MYTH OF

THEM ALL. THE REPUBLICANS SAY: "RICHARD NIXON

IS THE CAUSE OF THE NATION'S PROBLEMS, NOT THE

REPUBLICAN PARTY."

L WE HAVE SEEN IT ALREADY. L REPUBLICANS WILL

TRY TO RUN FROM THEIR PRESIDENT. THEY WILL

DENOUNCE HIM AND THEY WILL SAY IT'S ALL HIS FAULT.

L WELL, I AM NOT BLAMING THE REPUBLICAN PARTY

FOR WATERGATE.

*L* BUT *I do blame* WOMEN BLAME REPUBLICANS FOR SUPPORTING

AN UNPRECEDENTED NUMBER OF NIXON VETOES OF PROGRAMS

DESIGNED TO HELP ORDINARY WORKING FAMILIES HERE

IN NEW YORK.

*and elsewhere*

*L I do* BLAME REPUBLICANS FOR ALLOWING

RICHARD NIXON TO IMPOUND \$11 BILLION IN

CONGRESSIONALLY APPROPRIATED FUNDS.

*L I do* BLAME REPUBLICANS FOR SUPPORTING

RICHARD NIXON'S ECONOMIC POLICIES WHICH HAVE

*the at* BROUGHT US HIGH INTEREST RATES, *and the civil war* SKYROCKETING

*unemployment and* INFLATION AND HARDSHIP FOR THE AMERICAN PEOPLE.

AND ~~ADD~~ BLAME REPUBLICANS AND RICHARD

NIXON FOR SITTING IDLY <sup>IN</sup> WHILE THE ENERGY CRISIS

CAME CRASHING DOWN ON THE AMERICAN PEOPLE AND THE

OIL COMPANIES HARVESTED TREMENDOUS PROFITS.

THE REPUBLICAN PARTY MAY TRY TO DIVORCE

ITSELF FROM RICHARD NIXON. BUT WE MUST NOT LET

IT HIDE THE TRUTH ABOUT THE MAN IT SUPPORTED

FROM THE HALLS OF CONGRESS TIME AND TIME AGAIN.

THE NEW YORK DEMOCRATIC PARTY AND ALL

DEMOCRATS MUST WORK TIRELESSLY TO REMOVE THE

SMOKESCREEN REPUBLICANS WILL TRY TO CONSTRUCT.

He was  
there  
Candidate

YOU MUST NOT LET THESE MYTHS AND THE POLITICS  
OF FEAR WIN OUT OVER THE POLITICS OF TRUTH  
AND COMPASSION.

YOU MUST NOT LET INTERNAL DIVISIONS

ROB US OF THE VICTORIES WE DESERVE.

AND YOU MUST CONTINUALLY REMIND THE

PEOPLE OF THIS STATE THAT IT HAS BEEN UNDER

DEMOCRATIC LEADERSHIP THAT AMERICANS HAVE

PULLED THEMSELVES UP IN HARD TIMES:

--UNDER FRANKLIN ROOSEVELT FROM A  
DEPRESSION.

/ FDR

--UNDER HARRY TRUMAN FROM THE

*- a Fair Deal*

THREAT OF SEVERE POST-WAR ECONOMIC DISLOCATION

AT HOME AND ECONOMIC INSTABILITY ABROAD;

--UNDER JOHN KENNEDY FROM A SERIOUS

RECESSION; *- a new Frontier*

--AND UNDER LYNDON JOHNSON TOWARD

IMPLEMENTING THE IDEAL OF HOPE AND

*a great Society*

OPPORTUNITY FOR ALL AMERICANS.

*L* OUR PEOPLE TODAY HAVE A RIGHT TO  
EXPECT THE SAME KIND OF DEMOCRATIC LEADERSHIP.

IT IS UP TO YOU TO DEMONSTRATE TO THE  
PEOPLE OF NEW YORK OUR CAPACITY TO GOVERN  
AND LEAD THIS GREAT STATE AND NATION.

*The  
America  
We  
Want  
Can Be!*

*Hope -  
Promise*
