DETAILED DESCRIPTION OF THE RECORDS

Note to Researchers: To request materials, please note both the location and box numbers shown below.

Governor's Commission on Health Plan Regulatory Reform. Records, 1988-1989. 13 folders.

The commission's charge was to evaluate state regulations governing health plans and health plan companies in light of conditions and trends in the health care marketplace and the goals of consumer protection and equitable competition. The commission's final report, sent to the Governor in 1988, included recommendations for improvements in state regulations concerning health insurers, non-profit health service plan corporations, health maintenance organizations, and other types of health plan companies. The Planning Agency provided staffing support for this commission.
